FOREWORD

"Goin' take a Sentimental Journey, goin' set
my mind at ease . . ."

This, the Yearbook for the class of 1962, is a chronicle of the past three years spent in Rome Free Academy.

It is, of course, a journey for everyone, but especially for the seniors who will most vividly recall the time of hysterical happiness, and the more somber ones. It will be the Class of 1962 who will take this book from a dusty shelf in a score of years and go through its yellowing pages with a reminiscent smile.

"Got my bag and got my reservation, spent each
dime I could afford . . ."

The reservation is our diploma, and this book is our bag and our dimes have been spent on memory-making experiences.

"Like a child in wild anticipation—Longin'
to hear that ALL ABOARD!"

With one turn of the page, the memories start to roll by — sit back, make yourself comfortable and enjoy:

SUPERINTENDANT

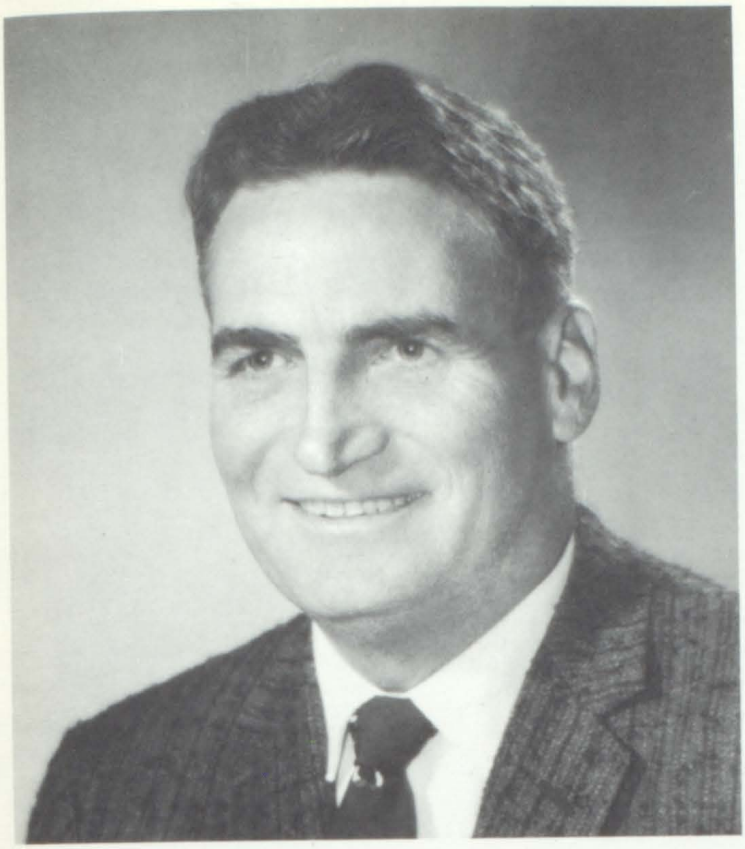
LYNDON H. STROUGH

A high school career IS a sentimental journey. Probably there have been times when your school life seemed anything but sentimental. As you approach graduation, however, you will be increasingly aware of all that R.F.A. has meant to you that you never can forget. In the years to come you will look back with a degree of nostalgia as you remember the dreams you had, the ideals you nurtured, and the goals you set for your life. You may never realize them all, but the dreams of youth have a way of becoming realities and the longer you hold to your ideals and your goals the greater will be your achievement. Thus you are just beginning the best part of your sentimental journey.

BOARD OF EDUCATION

The students of Rome Free Academy are priviliged to have for advisors a group of citizens as foresighted and capable as the members of the Board of Education. Through dedicated effort they have provided us with the advantages of a modern educational system. We, the Class of 1962, extend our heartfelt thanks to the Board for their keen interest and firm confidence in us.

Left to Right: John R. Woods, Eugene C. Roe, Nicholas J. Bush, Russ P. Destito, Robert C. Bidwell, President; Charles H. Edkins, Dr. Frederick K. Reid, Donald W. Fulton, E. Louise Kingsley.



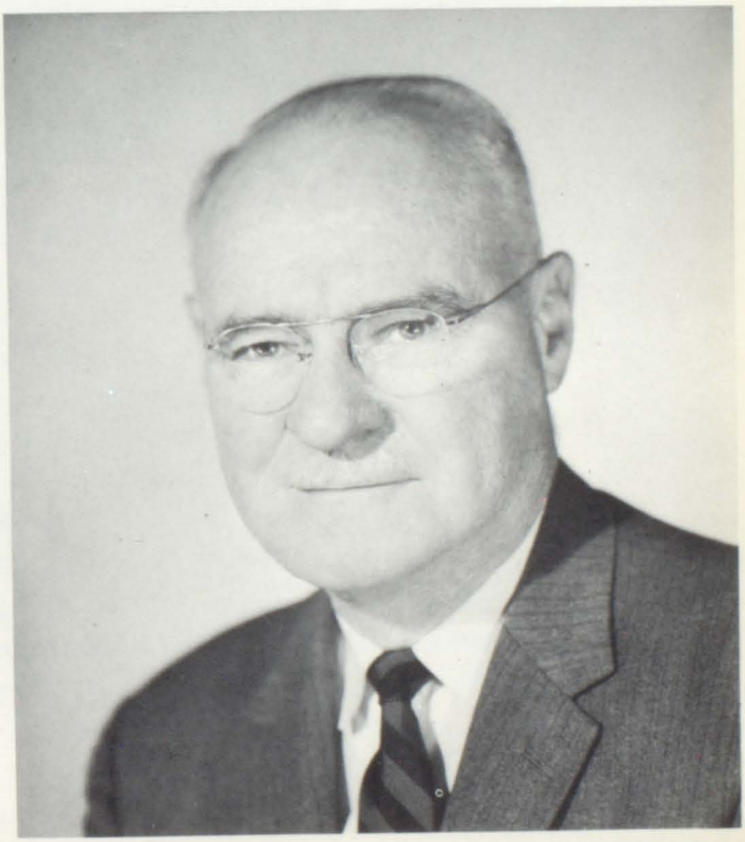
CARL S. PAIGE

I hope that your three year stop at Rome Free Academy on your "Sentimental Journey" has been both pleasant and profitable to you. As you proceed on your "Journey through Life" may the ideals which you have developed here make your life a more satisfying and rewarding experience. I have enjoyed accompanying you thus far and wish you Bon Voyage.

PRINCIPALS

MYRON J. WHITTEMORE

As the years go by, may you so live that you will be most happy and proud to make many sentimental journeys back to the days that you spent at Rome Free Academy.



DEDICATION

The Class of 1962 is proud to dedicate this yearbook to an outstanding faculty member, Mrs. Helen Gillis.

Mrs. Gillis' long-standing popularity is undeniable. Her smile is perpetual and her understanding of all her students genuine — except, of course, when someone tries to cancel out part of a binomial. Her interest in every one of her students is so sincere that it does not end at 3:20. Mrs. Gillis is always there after school, helping someone, or making out a college recommendation. Mrs. Gillis is a success in her field, because she has the admiration and respect of her fellow teachers and love of young people.

RETIREMENT

Mrs. Esther Copia

Mrs. Esther Copia has been with Rome Free Academy for 36 years and has been active in many fields of school endeavor in which her untiring patience and understanding have been an inspiration to all who have worked with her.

She was, at one time, sponsor of the Knitting Club, in Red Cross, in charge of the Bookstore, in Civil Defense, and on several Advisory Committees for the welfare of students.

As a bookkeeping instructor, she was thorough and accurate while treating her students as equals. Mrs. Copia was never too busy to stop and help any student; in return, she can be assured that her students will never be too busy to remember her.

A FAREWELL

Mr. Gerald Bentley

As these people continue their "Sentimental Journey" through the years, the class of 1962 offers its best wishes to:

Mrs. Jean Jankowski, who has taught English II this past year in R.F.A. As the Harlequins sponsor, she has devoted much time to the extracurricular program earning the appreciation of many students.

Miss Grace Nichols, a guidance counselor, to whom a great number of students owe a debt of gratitude. Her patience and understanding have helped many a student achieve his high school goals.

Mr. Gerald Bentley, an English II and III instructor, well known in Rome Free Academy. His grand sense of humor and style of instruction have made each of his days at R.F.A. more interesting for his students.

LANGUAGE

In today's modern world, being at least bi-lingual is almost a necessity. Fluency in more than one language not only increases personal knowledge but causes one to become more interested and conscentious in world affairs. In our excellent language laboratories, headed by skilled teachers, any interested student can become proficient in French, German, Spanish, or Latin.

SCIENCE

Biology, Chemistry, Health, Earth Science, and Physics are all courses that are available for the scientifically-minded student at Rome Free Academy. Under the expert guidance of our science teachers, a student may learn the formula for nitroglycerin, watch a flower seed germinate, or see what an earthworm is made of. All these, and many other experiences, make our science at R.F.A. memorable.

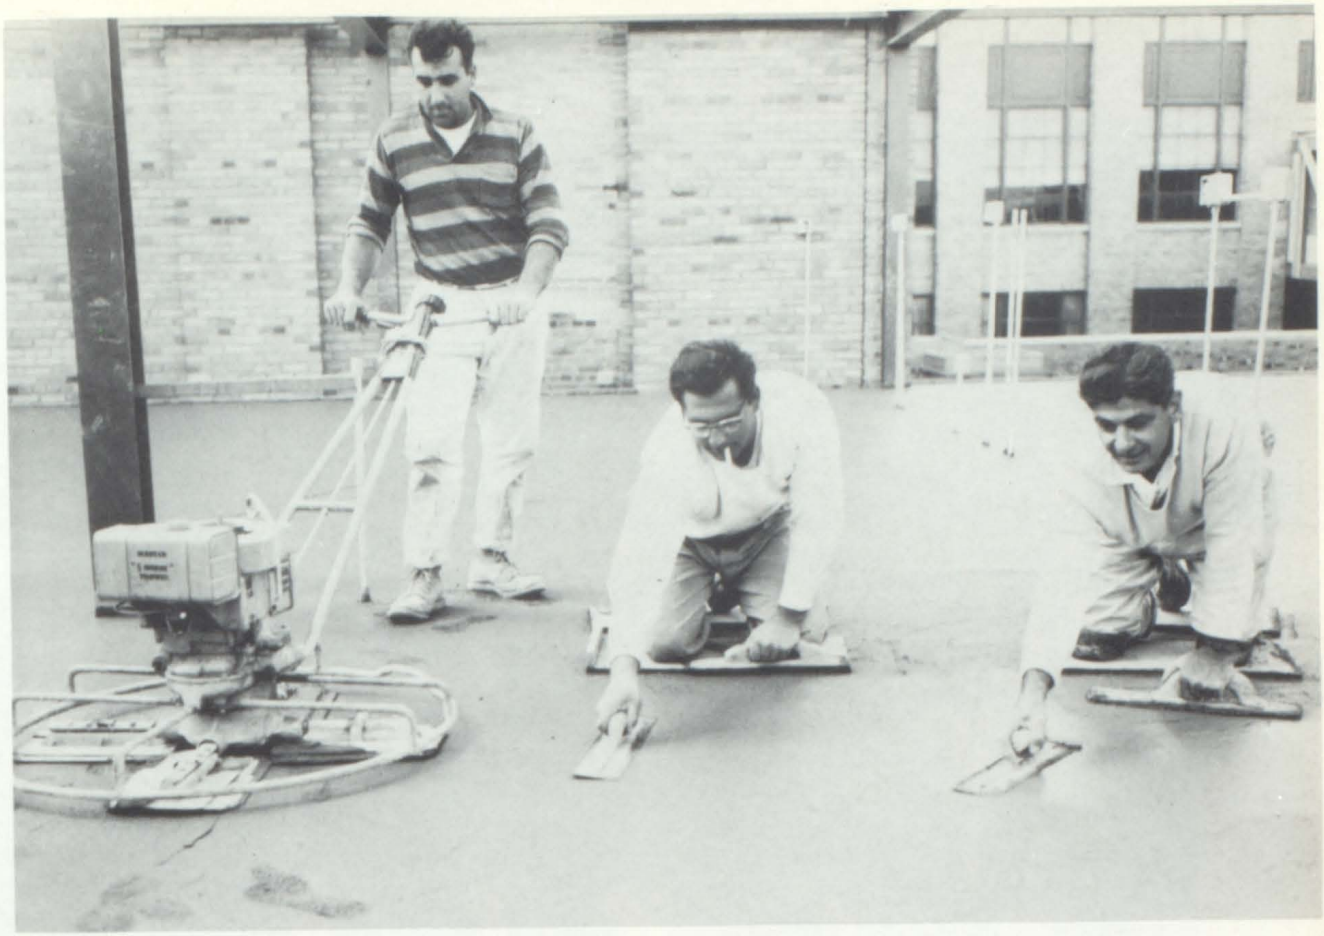
CONSTRUCTION

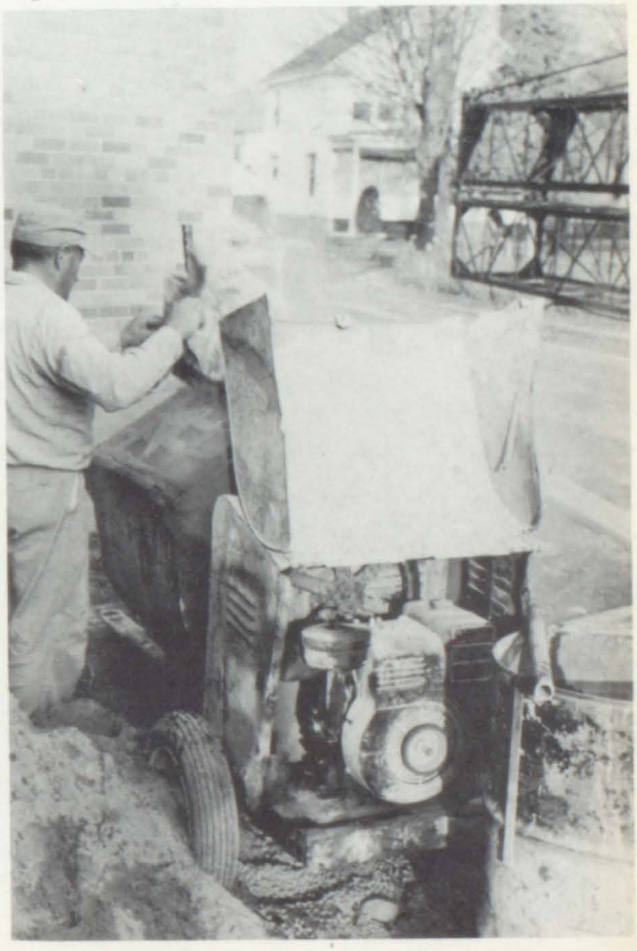
A nice piece of equipment — but what is it?

With the surge of students from Laurel and Staley Jr. High Schools, it was decided that an addition should be added to Rome Free Academy. During the spring of 1961, a 10-room addition got underway at the south end of the school, between the old and new buildings. Now completed, it has a new driving education room, a chemistry laboratory, and eight new classrooms.



And now for the finishing touches.

What's going on here? ?



Now let's see — how did you say this worked?

JUNIOR PROM

The Class of 1963 held its Junior Prom on January 27, 1962, with the unusual theme of "Carousel". The queen, Deborah Castle, and the king, Thomas Myslinski, reigned over approximately two hundred couples while the Silver Moon orchestra played until midnight.

I wonder what's on the other side of the door?

Let's have a whirl on the Merry-Go-Round!

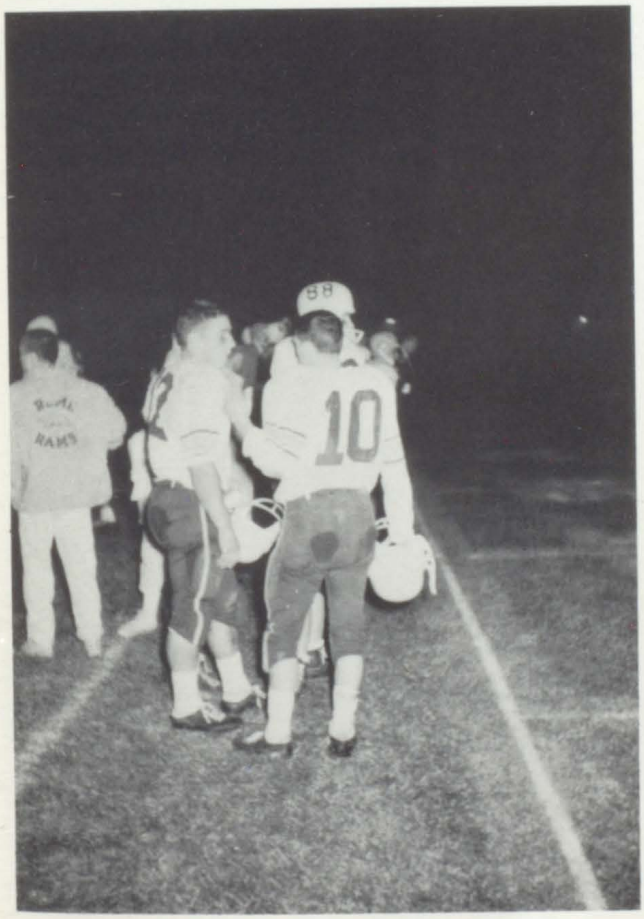
U. F. A. BURIAL

Farewell U.F.A., see you again next year.

And now for three minutes of reverent silence.

The Black Knights, who scored a victorious 34 to 7 win over U.F.A., bury their opponents.

The scene of this momentous occasion was East Dominick Street and the Mohawk River. As the coffin hit the water, victorious cheers went up from the crowd. U.F.A. was dead!



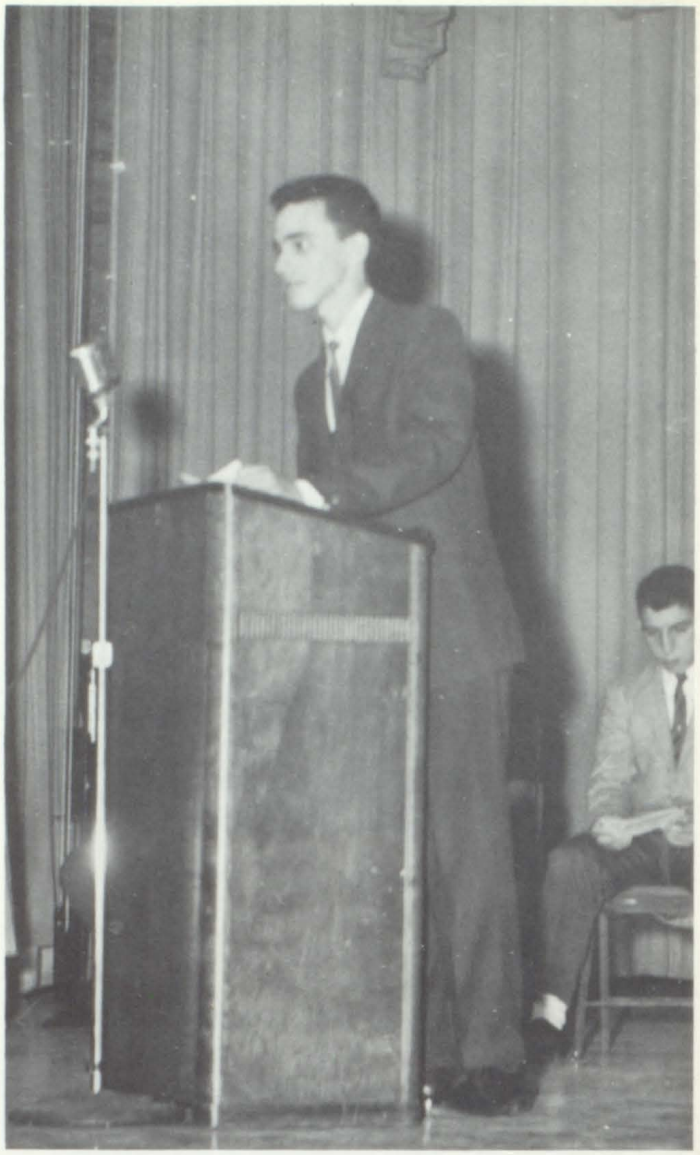
It sure was worth the effort!

As the flames leap higher, the ghost of U.F.A. disappears.

Who says I'm scared???

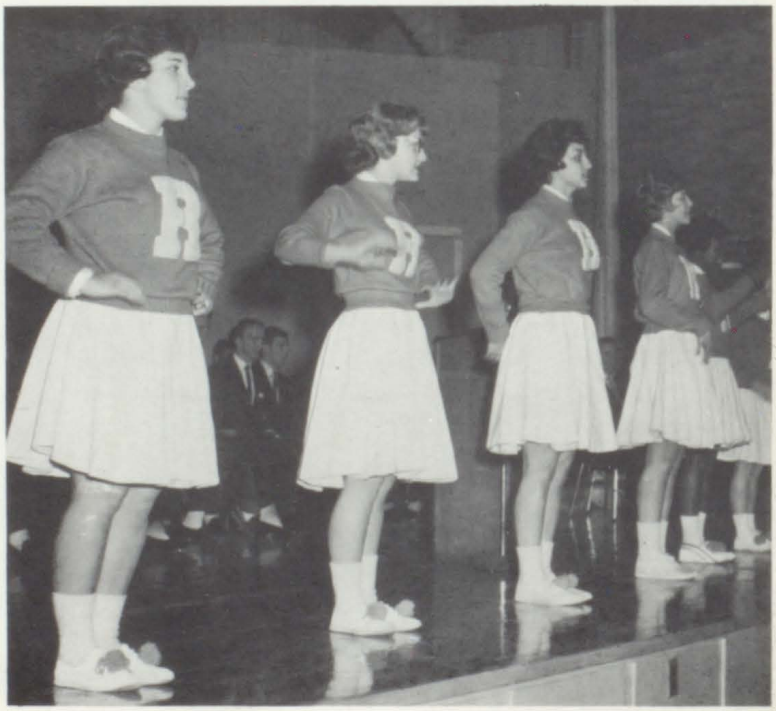
ASSEMBLIES

The assembly programs at Rome Free Academy cover many different categories. There are football assemblies, pep rallies, election speeches, concerts, and scientific programs. These assemblies are of a great deal of interest to R.F.A. students, adding a spice of variety to the routine school week.



When I count three, everybody stand up!

Certainly looks like a complicated machine, doesn't it?



Come on kids, how about some school spirit!

SENIOR CLASS HISTORY

The Class of '62 began its journey with the election of President Thomas Kenjarski, Vice-President Charles Gardinier, Secretary Roberta Tracy, and Treasurer Bernadette Remick. Our first encounter was the Christmas decorations which showed a great deal of imagination. We also held two dances, one of which was our sophomore dress-up dance, "February Fantasy".

In September we checked our bearings and steered forward into our junior year. Our officers included Thomas Kenjarski, President; Gerard Weiss, Vice-President; Roberta Tracy, Secretary; and Bernadette Remick, Treasurer. We started things off with a bang by holding a very successful record hop. Suddenly all was tense as we approached the biggest event of the year, our Junior Prom. On January 27, 1961, our Prom entitled "Manhattan Moods" was held in a beautifully

decorated gym. Climaxing our Junior year was the selection of our class rings and the anticipation of our last year at RFA.

The final leg of our journey started with the selection of our officers which included President Thomas Kenjarski, Vice-President Charles Gardinier, Secretary Sandra Panasci, and Treasurer Bernadette Remick. Our last year was filled with many activities. The Senior Play, "Onions in the Stew" served as a pleasant interlude in our long journey. We also found time, amidst the hustle and bustle of our busy school routine, to purchase our name cards and get our senior pictures taken for the De-O-Wain-Sta. In addition to all these activities, we staged our Senior Ball, a tremendous climax to our "Sentimental Journey". As our journey comes to a close with Regents, The Senior Banquet, Baccalaureate, and finally, Commencement, we look forward to another journey — the journey far into a strange but exciting world.

JUNIORS

Front Row, left to right: Mrs. Weinkauf, *Class Advisor;* Barbara Pritchard, *President;* Carol Jones, *Secretary;* Peter Zawaly, *Vice-President;* Douglas Thaler, *Treasurer.*

Two busy years! As flegdling sophomores we spun through a whirl of projects. We elected our officers: Barbara Pritchard, President; Camille Salce, Vice-President; Susan Luizzi, Secretary; John DelPiano, Treasurer. Then we colorfully decorated the school for Christmas. In order to finance our activities throughout the year, we sponsored a record hop. As a climax to our sophomore year, we held our sophomore class dance, the "Snowflake Hop."

Now, as our junior year draws to a close, we are glad to have had our officers — Barbara Pritchard, President; Peter Zawaly, Vice-President; Carol Jones, Secretary; Douglas Thayer, Treasurer — and our advisor, Mrs. Weinkauf, lead us through this part of our journey. Our record hop, our gala prom, "Carousel," and our distinctive class rings leave us with fond memories.

EDITORIAL STAFF

Don't tell Mrs. Waters I'm here.

Working together with Mrs. Dorcas Watters, the De-O-Wain-Sta Editorial Staff has one main purpose: to put together the best possible yearbook before our deadline in March. After much preparation and heated discussion, we chose our theme and settled down to

Although the work was difficult, we are all glad that we could do our part in bringing you this 1962 De-O-Wain-Sta.

But we can't do it over — the deadline was last week.

For the second time in three years, Rome Free Academy's varsity football team has completed an undefeated and untied season. Coached by George Flood and his assistant, Edmund Weed, the Black Knights started their winning streak by defeating a big, but slow, Mount Pleasant team. R. F. A. won its first contest 13-0, with Nick Esposito gaining 138 yards for Rome.

In Rome's first home game a spirited New Hartford team failed to check Jerry Burlison who scored three of Rome's four touchdowns. Rome received revenge in its next game for the previous year's shutout by defeating New Rochelle 34-13 as Fiore De Costy intercepted three New Rochelle passes and scored on a fifty-five yard fake pass.

Against Auburn, Rome came from behind in the final quarter with Jerry Burlison scoring in the final two minutes of the game to frustrate Auburn's hope for an upset. Against Proctor, Rome could manage only two touchdowns despite a more than 300 yard ground gaining total. These were, however, enough to outclass the Proctor squad 13-6. A 13-0 victory over Whitesboro clinched the Central Oneida League Championship for Rome.

Under rainy, mud-soaked conditions, the Black Knights humbled their traditional rival, U. F. A., 34-7 as the R. F. A. student body braved the weather to spur the team on.

In the final game, R. F. A. completed its all-winning season by downing a previously undefeated Watertown team 16-2. This last victory entered the Romans as Central Interscholastic Conference Champions.

Among the honors which the team has received, has been the selection of seven of its members as C.O.L. All Stars: John Bovi, Jerry Burlison, Don Commerford, Fiore DeCosty, Chuck Gardinier, Vinny Grieco, and Al Pratt. Two representatives, Burlison and Gardinier, were chosen as first string Central New York All Stars, while Vinny Grieco was chosen for a second string position on this same all star team. Jerry Burlison was chosen by *Scholastic Coach* as a High School All American, and the team itself was chosen by this magazine as one of the three best teams in the state.

Congratulations to all concerned for an outstanding effort.

To round off the regular season, the team captured the Central Oneida League Championship for the fourth year in a row.
